IL – ASCE Scholarship Notice for Chicago Area High School Juniors

INTRODUCTION TO ENGINEERING PROGRAM UNIVERSITY OF NOTRE DAME

Session 1: June 11 - June 24, 2017

Session 2: July 16 - July 29, 2017

The Illinois Section of the American Society of Civil Engineers (IL-ASCE) is seeking applications from minority students interested in participating in a two-week summer Introduction to Engineering Program at the University of Notre Dame (<http://www3.nd.edu/~ieip/>). The program is designed to provide high school students with a broad exposure to the profession of engineering and to motivate those who possess an interest in pursuing a career in this exciting field. During the two-week program at the University of Notre Dame campus (located near South Bend, Indiana), participants will attend lectures and participate in hands-on laboratory exercises related to the various fields of engineering analysis and design, computer programming, and other special topics. In addition, students will gain the experience of living in a university environment.

Applicants must be legal residents completing their third year in high school and have completed (by the end of the school year) three years of high school level mathematics and one year of science (either chemistry or physics) courses. If the program schedule conflicts with the end of the school year, we will request school authorization for anticipated absences.

As part of its ongoing commitment to encouraging minority students to consider engineering as a career, the IL-ASCE will be providing a limited number of full scholarships (tuition, room and board, and transportation) to student in the greater Chicago area (generally Cook and collar counties). Students selected to receive this award will be notified within approximately two weeks of the application deadline. Social security number or proof of legal residency is required for attendance. Applications must be received by **March 13, 2017** for consideration.

Please contact Tim Scully-Granzeier at (312) 575-3717 or by email at tim.scully-granzeier@arcadis.com with questions regarding the program or the scholarship application.

2017 IL-ASCE SCHOLARSHIP

University of Notre Dame's Introduction to Engineering Program (Chicago Area High School Junior Students of Minority Background)

Sponsored by the Illinois Section of the American Society of Civil Engineers

Application Form

Last Name _____ First Name _____
Male ___ Female ___ Date of Birth _____
Address _____
City _____ State _____ Zip Code _____
Home Phone Number _____ E-mail Address _____
Parents'/Guardians' Names _____
Hobbies _____

Session Preferred (please check one):

_____ June 11 – June 24, 2017 or _____ July 16 - July 29, 2017

If the session you selected above is already filled, can you attend the other? Yes ___ No ___

Expected High School Graduation Date _____

Name of High School _____

High School Address _____

Reference Counselor or Teacher Name _____

Reference Counselor or Teacher Phone Number _____

Rank in High School Class _____ out of _____ Current GPA ____/____

Have you had: Physics? Yes ___ No ___ Chemistry? Yes ___ No ___

Years of Math (circle one) 1 2 3 4 or select:

Please check applicable group:

African American ___ Hispanic ___ Asian/ Pacific Islander ___ Native American ___

Multi-Cultural ___ Other ___

Social security number or proof of legal residency is required for attendance.

*The application package must be received no later than **March 13, 2017**. Package should include the following:*

- 1 – Completed application form (see above)
- 2 – One page essay describing why you would like to join IEP this summer: (please go to the program website for reference: <http://www3.nd.edu/~iep/>).
- 3 – Letter of recommendation from your school
- 4 – Copy of academic transcript

Send application package to:

Tim Scully-Granzeier

Arcadis

200 S. Michigan Ave.

Ste. 2000
