

ASM COVID-19 Daily Symptom Checker

PLEASE ANSWER THESE QUESTIONS DAILY BEFORE PARTICIPATING IN OR VISITING AN ASM PROGRAM:

1. Do you have any of these symptoms that are not caused by another condition:
 - a. Fever of 100.4 or higher; chills Yes No
 - b. Cough or sore throat Yes No
 - c. Runny nose or nasal congestion
 - d. Shortness of breath or difficulty breathing Yes No
 - e. Fatigue, muscle or body aches, headache Yes No
 - f. Recent loss of taste or smell Yes No
 - g. Nausea or vomiting Yes No
 - h. Diarrhea Yes No
2. Within the past 14 days, have you had contact with anyone that you know had COVID-19 or COVID like symptoms? Contact is being 6 feet or closer for more than 15 mins total in a 24-hour period, or having direct contact with bodily fluids such as cough or sneeze.

 Yes No
3. Have you had a positive COVID-19 test for active virus in the past 10 days?

 Yes No
4. Have you or anyone in your household traveled from the states listed below within the past 14 days?

 Yes No

If you answered “YES” to any of the questions above, please **DO NOT** enter ASM premises and only return when you are well.*

**Individuals who are symptomatic or have tested positive for COVID-19 should not attend a program for at least 10 days since the symptoms first appeared AND 24 hours after the fever has disappeared without the use of fever-reducing medications and other symptoms have improved.*

States labeled must follow the required protocol when returning to Chicago:

ORANGE: 10-day quarantine, OR negative test result (no earlier than 72 hours prior to arrival) with strict masking, social distancing and avoidance of in-person gatherings, OR be fully vaccinated (as defined as two weeks after the second dose of a two-dose vaccine or two weeks after one dose of a single-dose vaccine) and have no symptoms.

YELLOW: No quarantine or test required. Maintain strict masking and social distancing.
